

EU AI Act 2024 1689

Artikel 93

IX - 5

Article 93

Power to request measures

1. Where necessary and appropriate, the Commission may request providers to:

(a)

take appropriate measures to comply with the obligations set out in Articles 53 and 54;

(b)

implement mitigation measures, where the evaluation carried out in accordance with Article 92 has given rise to serious and substantiated concern of a systemic risk at Union level;

(c)

restrict the making available on the market, withdraw or recall the model.

2. Before a measure is requested, the AI Office may initiate a structured dialogue with the provider of the general-purpose AI model.

3. If, during the structured dialogue referred to in paragraph 2, the provider of the general-purpose AI model with systemic risk offers commitments to implement mitigation measures to address a systemic risk at Union level, the Commission may, by decision, make those commitments binding and declare that there are no further grounds for action.
